

The background of the entire cover is a light blue material with a pronounced, irregular, pebbled texture. In the upper half, there are several embossed rectangular shapes. On the left, a tall rectangle contains a series of parallel diagonal lines sloping downwards from left to right. To its right is a solid, empty rectangle. Further right is another tall rectangle with diagonal lines sloping upwards from left to right. To the right of that is a smaller, solid, empty rectangle. The lower half of the cover features a horizontal band with the title text. Below this band, the embossed patterns continue: a rectangle with diagonal lines sloping downwards, followed by a solid rectangle, then a rectangle with diagonal lines sloping upwards, and finally a solid rectangle on the far right.

WHAT'S BEHIND THE SIGN?

Our geologists, located in many parts of the globe, will tell you that the exciting, unending quest for new oil reserves is behind the Marathon sign. Our production and marketing men will tell you that the most modern refining and research facilities are behind it.

Our customers may have the best answer: the finest products you can buy are behind every Marathon sign in every Marathon Service Station you meet.
